>Systemic Change in Practice

>Ben Fowler, MarketShare Associates
>Marcus Jenal, BEAM Exchange

BEAM CONFERENCE
19-20 MAY, 2016 | LUSAKA, ZAMBIA

>World Café

Three rounds with three questions

- Distribute evenly on the tables
- Every table selects a table host
- The host will stay at the table the whole session
- Other people will rotate to different tables for each session
- Mix up while rotating

>Round 1

How do you def ne systemic change in your project? What were the debates that you have been having with your colleagues?

How would you def ne systemic change in your project?

>Round 2

What are the strategies your programme takes to achieve systemic change?

What strategies would you suggest your programme could take to achieve systemic change?

>Round 3

How do you measure systemic change in your programme? Have you considered different options?

What do you think would be the best ways to measure systemic change in your project?
